# Adisa Rasak Opeyemi

Frontend Developer (React)

Self-taught front end developer who is able to realize projects from the ground up. I am well versed in all the key languages and I am able to design, code and deploy in an organized and efficient manner. As a manager of a store, I have had a lot of opportunities to develop my soft skills such as communication, organization and adaptability and I believe these would serve me and my employer well in the future.
